

MALTA PERMANENT RESIDENCY PROGRAMME (MPRP), IN 2023

Now in 2023, it is possible to apply for High Net Worth Immigration to Malta (Malta Residency by Investment) to acquire Malta Permanent Residency (Malta Golden Visa), which allows the applicant and his family to live, work, and study, in Malta.

Benefits of the Malta Permanent Residency Programme (MPRP)

The benefits of the Malta Permanent Residency Program (MPRP) are as follows:

- **Indefinite Residence** - Offers third country nationals and their dependents indefinite residential status in Malta
- **Right to travel in all Schengen Area** - travel within the 27 Countries Visa-free, across the Schengen Area for 90 out of 180 days stay
- **Four Generation Program** - Spouses, children under the age of 18, unmarried children (No age limit), parents and grandparents
- **Married Children** - If children marry after they obtain card, wife can also apply for indefinite Residential status
- **No Residence requirement** - Immediately receive an indefinite residence permit without living there, after just a 1-day visit
- **Indefinite Permanent Residence Card** - The MPRP guarantees an Indefinite Permanent Residence Card for the Applicant's children and their children
- **No requirements for business, language, education background, age**
- **No language test**
- **Only invest after receive Approval Letter in Principle**
- **Safe and secure** - A+ credit score Government bond
- **Fast and transparent process** - 4 to 6-month processing time

Eligibility Criteria - Malta MPRP

To be eligible for the Malta Permanent Residency Programme (MPRP), the Applicant must meet the following criteria:

- 1. Licensed Agent** - Submit an MPRP application via a Licensed Agent, who is listed on Residency Malta Agency's website 'List of Agents'.
- 2. Administrative Fee** - Main Applicant must pay a non-refundable administrative fee of €40,000.
- 3. Government Contribution** - Main applicants must pay a Government Contribution of €28,000 if purchasing a property or €58,000 if leasing a property. In addition, there will be a contribution payable by each additional adult dependent of €7,500 and €5,000 Euros for each child, over 18 years of age.
- 4. Philanthropic Donation** - Make a donation to a local Malta philanthropic, cultural, scientific, artistic, sport or animal welfare NGO registered with the Commissioner of Voluntary Organisations for €2,000 Euros (main applicant only).
- 5. Property Investment** - The rates under the MPRP program have increased to €350,000 Euros for a purchase in the northern and central parts of Malta, and €300,000 in the South of Malta or Gozo. Alternatively, rent a property for a minimum of €10,000 in the South of Malta/Gozo or €12,000 in the rest of Malta, as previously. The Applicant must hold the qualifying property for a minimum period of 5 years, after which a residential address is required.
- 6. Income or Asset Documentation** - Under the previous MRVP program, the main applicant had the option to demonstrate either a minimum annual income of €100,000 or €500,000 in personal assets. The new MPRP program is expected to eliminate the proof of income option, while retaining the €500,000 proof of asset obligation with a new requirement of €150,000 of total assets being available as liquid funds.
- 7. Securities Investment** - Under the old MRVP program, the main applicant was required to make a refundable investment of at least €250,000 into government-approved securities to be held for 5 years. The new MPRP program will no longer have this requirement.
- 8. Financing Option** - No financing option will be available under the new MPRP program.
- 9. Third Country National** - The applicant cannot be from the EU, EEA or a Swiss national.
